# Montville Township Public Library Director's Report August 6, 2021

Summer Reading is going strong, with 381 readers of all ages registered; 61,516 minutes read; and 872 activity badges earned. Our 2021 participation is higher than that of 2020 and 2019. Many thanks to Pam O'Gorman for encouraging adult participation. Our creative weekly drop-in programs for kids - Mosaic Mondays, Tie-Dye Tuesdays, and Wacky Wednesdays, run by Amy Resnikoff, are proving to be popular. Thirty kids worked together to create the first of two summer reading themed mosaics, now hanging in our front window. Eighty children attended the tie-dye sessions, and 70 made wacky crafts including pool noodle birds, popsicle stick alligators, and wind chimes. We continue to promote summer reading in our newsletter, on social media, and to new cardholders.

In July, we welcomed 84 new library users. This month, 6,116 visitors passed through our doors, a 25% increase over last month. The Circulation team processed 653 new items. We shipped out 1,585 items to member libraries and sent 72 boxes to our resale/recycle partners Better World Books and Sustainable Shelves.

# **Buildings and Grounds**

Donnelly Energy completed the stack lighting upgrade. The new LEDs fit inside the existing housing and other than the light fixtures no other materials were needed.

Parette Somjen project manager, Sarah Eid, was here for a site visit with an engineer. They took photos and measurements of the electrical panels, and the two new Daiken units. They will have a plan in place soon.

A Hughes technician replaced a broken actuator in air handler 1.

Thanks to Fred Ackerman and David Doyle (Township DPW) the large section of rain gutter that fell of the front of the building was repaired. This would have been an expensive repair if we had a roofing company do the work.

We installed new battery packs and defibrillation pads in our two AEDs (Automatic External Defibrillators). The battery packs are good for five years and the pads for two years.

Despite several COVID related inventory delays, we were all delighted when the new refrigerator for our breakroom arrived this week.

# Finance

We received a credit for \$169.03 from Baker & Taylor's Sustainable Shelves Program. B&T arranges pick up of weeded titles. The books are

either sold or responsibly recycled and we get a B&T credit which we put back into our book purchasing budget.

Open enrollment for health coverage will be different this year. Employees will be responsible for making all changes to their health care coverage using the new Benefitsolver site through MyNewJersey, Member Benefits Online Systems (MBOS).

# Marketing and Outreach:

Molly has accomplished our goal of targeting our newsletters to the right audience for each. She segmented our newsletter distribution by creating three email lists: Adults, Teens, and Kids, and sent out instructions on how to subscribe only to the newsletter(s) of interest. We will now sign new patrons up for only the newsletters they choose. We anticipate seeing an increase in engagement and a decrease in unsubscribes. Major announcements will be sent to all lists.

Melissa Benno of *The Montville Patch* wrote a second article on the Summer Reading program and our schedule of events.

Risa brought outdoor story times to local preschool Kiddie Academy twice in July. The group had fun reading interactive books and singing songs.

# Patron Services:

The Strategic Plan Focus Group meetings are planned for late September. Molly and I met with Cindy Czesak from Library Crossroads Consulting and discussed potential demographic groups of Seniors, Parents, Teens, and Community Stakeholders, as well as Staff. Cindy plans to do one on one interviews with local organization members if we do not have a Community Stakeholders focus group.

Molly and I applied for an American Rescue Plan Act of 2021 (ARPA) minigrant from the Institute of Museum and Library Services, administered by the NJ State Library. If awarded this grant, we will purchase eBooks in the areas of Education, Health, and Career Development. A resolution to accept the money should we receive it is on the August Board agenda. Grant notification should happen in late August.

We will begin our Library of Things with hotspots, currently on order, as well as puzzles. We solicited donations of complete, gently used or new puzzles in a newsletter. Our hotspots can also be used to access our catalog and create new library cards from community events outside of the library.

Molly is working to reinstate our Museum Pass program to its pre-pandemic level, now that museums have reopened. We renewed our memberships with the Morris Museum, the Newark Museum, Intrepid, MOMA, Imagine That and Macculloch Hall. Macculloch Hall generously donated this year's membership. We will renew with Montclair Art Museum after it reopens.

Bestselling author Sue Miller joined us virtually on July 13 to talk about her new book, "Monogamy." I moderated the discussion and our audience of 26, including our book clubs, enjoyed interacting with the acclaimed writer.

This month's Montville "U" offerings included "George Washington and Morristown NJ - Perfect Together" by Washington Headquarters Docent Joel Farkas, attended by 22 people. Walter Choroszewski spoke to an audience of 24 about the 1960s at "The Times They Are A-Changing." Kevin Woyce gave a presentation on the history of the New Jersey Shore to 21 patrons. In our ever-popular Afternoon Craft Class, taught by our inhouse artist Amy, 14 adults adorned cloth napkins using bubble wrap and lemons as stamps. Chair Yoga resumed in person on July 28 with 13 people in attendance.

July was full of special events for kids. The Liberty Science Center brought a virtual planetarium to the library and 60 kids tuned in to learn about the planets and stars. Thirty-five children enjoyed a virtual, live animal show by Rizzo's Reptiles funded by a grant from Clean Communities. We saw a frog, chinchilla, snake, and more. Thirty kids recreated a farm with a cracker board, frosting, pretzels, candy, and cookies for "Edible Art." We will run this program again in August. Fifteen kids learned the art of Zentangle, using different "doodle" techniques to create a Zentangle pangolin.

In our regularly scheduled children's programming, Amy's ABC Tuesday has become ABC Wednesday - 15 kids learned about the letters "S" and "T" in July. 16 Messy Munchkins made peacocks using shells, clay, feathers, and sequins. Themed story times included: Risa's July 4<sup>th</sup> evening program with an audience of 17; a "Tails and Tales" animal story time with an audience of 10; and Babies and Toddlers Too, where 7 little ones enjoyed sea creature-themed stories and a craft.

Eight teens had their own day of tie-dye, also led by Amy. Eighteen teens picked up Angie's Grab & Go kits, themed for July 4th. Twelve teens attended our monthly TAB meeting. TAB t-shirts with a TAB designed logo have been ordered.

We are adding Ingram Content Group as a secondary vendor for our books. We hope to improve delivery times compared with Baker & Taylor. Ingram is currently setting up processing specifications for us so we can order books from them that come shelf ready.

# Personnel

Molly and I selected a candidate, Brandy Neary, for the open YA/Community Services position and have put her on the Board meeting agenda for discussion and potential hire at the meeting.

With the return of our Library page Karen Rotter, the Circulation Team is now back to pre-pandemic staffing levels, and shelving and shelf maintenance have improved. Walter met with staff to discuss goals and explain the process of relabeling and re-cataloging books for the new bookstore model/collection redesign.

We celebrated our return to being fully open with an official welcome for our three newest staff members, Julia Ercolano, Molly Hone, Selene Yang and Karen Rotter's return from a leave of absence. We also recognized Michael DeVincenzo's graduation from Rutgers with an MLS.

# Staff Training/ Development

Walter, Nilufer, and Sue attended two MAIN training webinars – one on on how to record circulation when Polaris is offline, and the other on new features in Polaris/LEAP.

Molly, Walter, and the Circ staff attended a two-part virtual series, "Privacy, Please! Privacy Concerns in the Post-Pandemic Library - Best Practices for HR and Staff Records in Your Post-Pandemic Library from LibraryLink NJ.

Molly, Michael and I received training on iPage, Ingram's ordering platform.

# <u>Technology</u>

Tech Soup approved our application for the donation of five Franklin T9 Mobile Beacon Hot Spots. Tech Soup is a non-profit international network of organizations that provide technology support and tools to non-profit institutions. We pay for the 4G LTE internet service and will charge it to our Grow with Google grant.

Michael researched upgrades to the Pio Costa A/V panel. Some devices presenters use at programs are no longer compatible with the panel, causing images to skip, blink, or not appear. Bill Heaney from Bill's Electronics in Pine Brook came to look at how our system might be improved. Bill said that when we purchased the projector in 2011 it was state of the art but it can no longer support the higher resolutions of modern products. An upgrade may be an item to consider for the 2022 budget.
